Example:

*Sara is taking the Elementary I course while at the same time serving as the lead teacher in her classroom. She wishes to pay in three installments. Sara will not need to take the EC overview course, because she previously received her early childhood credential from a MACTE accredited training course. Sarah's total tuition is (\$6,620 tuition) + (\$200 service fee) + (\$350 professional fee) + (\$600 self-directed fee), or \$7,770. She will pay in three installments of \$2,590 each. This does not include the \$100 she will pay at the time of her application.*
